“ Mom and I so enjoyed our visits with Lois. I send you all sympathy and prayers. And I love thinking they're all there and - together with their husbands - enjoying each other once again.

“ We knew Lois through our good friend, Karen Bozarth. We attended many family/holiday gatherings at the Fox/Bozarth home and Lois always made us laugh. We will miss her smiling face.

With deepest sympathy,

“ I met Lois at Alden Gardens, where my mother lived out her last chapter. Lois became one of our good friends during that time. She would often sit in the lobby and would strike up conversations with us on Fridays when Mom had her hair done. Lois also enjoyed the piano music I offered in the lobby every Friday, as well as the holiday program my husband and I presented last December. I saw Lois a couple of weeks ago and she said how much she was looking forward to our December program this year. While I am sad that she will not be present to hear that music, I will be forever grateful for her smiles and the caring friendship she so generously gave to my mother and family in the best and worst of times. We will remember her fondly, always. Please accept our deepest sympathy on the passing of dear Lois.

Sincerely,

Ina and Jim Heup

“ I knew Lois through my mother, Rosemary Schielke. My mom and Lois were friends for a long time and did many church activities together. I was really shocked to see that they passed away on the same date, though my mom has been gone 7 years now.. My prayers are with her family...
