“ *Aby was so positive. She always had a twinkle in her eyes. She was the most hardworking person my age that I'd ever met. I'm so grateful to have known her. I looked up to her, she made me want to be a better person and try harder to improve my life like she was doing to hers. I love you so much, Aby.*

“ Perhaps they are not the stars, but rather openings in Heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy. Wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts. RIP Abigail Villalpando
