*Adam was a Greenman Lion through and through. He had a heart as big as his smile. He gave everything his best and what a great older brother he was! If he didn't come back to visit one of our sports events he'd always send me a birthday email to make sure the 'old man' was doing okay. I'll miss ya, Bones, but I won't forget you.

*Adam is a Saint. My sons and i met him at Graham's and he definitely had the golden halo
A gentle giant, a kinder man we have not met, he inspired me to stop smoking without actually saying anything out loud He lives on, but we are devastated at the day to day loss of our friend. Condolences. A great man!*

“ Adam was an absolutely great person. We met when he worked at Menards. He'd rib me about my love of the Dodgers and I'd poke back. He was never harsh, but always had the facts to back up his opinions. I loved going into Grahams in Yorkville and seeing him in there. We'd talk for the longest time about who was hot and who was not in baseball. Every customer that came in he was sincere and kind to. A kinder more sincere person I have never met. Rest in peace.

“ I got to know Adam when he worked at Menards in Yorkville. I still remember him as always so easy going and had a big smile on his face. He will be deeply missed.

I learned of Adam's passing today and was devastated. I cannot begin to imagine how his family feels but please know that I am praying that they can get through their unimaginable grief. I did not know Adam that well but was always happy to chat with him at Graham's in Sugar Grove. He seemed like a very nice young man and I will miss him very much. He always treated all the customers well and was a fixture in our little community. It is people like him who make a bigger impact on others than one could imagine. May God bless him and his family.
