*Adolf was a wonderful neighbor. Always waving to me when he was out in his yard or retrieving his mail. The winter of 2014, we had one large snowfall and I could not get my car in my driveway. The next day Adolf witnessed me out there struggling to dig my car out. He brought over his yard men to help me push my car into the day way so that I could get it into the garage. Very thoughtful to see my need and assist me any way he could. My prayers are with you and your family.
