“ If I were to pick one memory. It would be going to Aunt Agnes s on Easter. One year she had made or had help make these Easter baskets that were made out of cake and icing . Super cool I thought . Oh course there was the cake icing incident that she did not let me forget. Gotta love you Aunt Agnes. And there was when her and Uncle John came to the hospital when I was 3 years old . I was having eye surgery. They brought me a Donald Duck walking toy. That was awesome . Love her.  
Thank you for being my Aunt
