*Uncle Bump always had a smile on his face and as Claudia said -- reminded us so much of our Dad. We didn't get to see him and the family too often since we live in Minnesota, but every time we got together we had so much fun and it seemed like we were never apart. Uncle Bump - I'm glad you are not suffering any longer -- you will be missed but never forgotten and always in our hearts.

“ *Uncle Bump reminded me so much of my Dad. Loving, patient, and always with a little smile while being surrounded by family...their favorite place to be. It's amazing how strong Grandpa Carl's genes were, because all the brothers take after him so much. Handsome, strong, loving, stubborn, and heart problems. Oh how we wish that last trait wasn't there. We have all been blessed to be part of their lives, it's just that we wish it could have been longer. Always in our hearts, Uncle Bump. 💕 Claudia (Neubauer) Volner*
