“ I'm so sorry to hear of Al's passing. Seeing it in this morning's paper sure caught me off guard. I remember some of the conversations we'd have across the yard, and I want to thank him for the help he gave my mom after dad passed, and for being a great neighbor. He was a character...always with a good, funny comment. Helen and all, you'll be in our thoughts and prayers during this difficult time. I really wish I could be there Friday morning and will be there with you in spirit. He'll be missed.

“ So sorry for your loss. Sending thoughts and prayers to your family. Albert was one of my patients, but not just a patient, but a bright spot in my day and a friend. He always had a smile on his face and a joke to tell. He will be truly missed.
