Tribute Wall

“ *Uncle Ralph, Gary and Pat:*

Though we are half a world away, we share your sadness in the loss of your wife and mother, and our beloved Aunt Alice. We will miss but long remember the charm of her quick smile and her joyful sense of humor. She dealt with life's trials with a boundless sense of optimism and we never knew her to perceive the glass as anything less than at least half full. Thank God she was able to share herself with us longer than anyone with Huberty genes that we ever knew! We wish we had been there to give her our love and to bid her a fond farewell on her final journey. We wish, too, that we were there to help support you in your grief. Know that you are in our prayers. We will hope to see you soon after our return. God bless you and all of our family.
