“ *When Tony & I first came to Aurora,IL. in February of 1973 we had no family or friends in Aurora. We rented the apartment upstairs from Bernardo & Seta. They became like family because my parents were in Indiana.*

We enjoyed her company and she was especially fond of Tony because he would help her. Once she asked Tony to come downstairs because Bernardo had bought a live chicken and she asked Tony to kill it for dinner. We had the best chicken soup that night. Rest in peace Seta.
