“ We send our sincere sympathy to Attila's family and friends on his passing. Attila told Andy and myself at Susan and Frank Kigyos's wedding that Andy and I who had just met that we would marry. He was right and on our wedding day Attila walked my sister down the isle as one of Andy's groomsman! That is a wonderful memory! Attila, you will be missed!

“ I remember as a kid sitting behind attila and Bernice in church for many years. They both were one of the few that took the future of the church seriously and always supported our youth group. I have fond memories of them both, and will always remember them. ❤️❤️
