Rest in Peace Jeanie, you were such a special person to our family. We were neighbors from 1945-1957 on Grove St., you baby sat for me and then my Sisters. You were like my big Sister.

So many fun times thru those years.

My condolences to Kim, Andrea and family.

Kim and Andrea,

I am so sorry to hear of the passing of your Mom. I have not seen her for many years, yet I hold so many memories. I can still see myself young being in your Grandmothers house. Your Mom and Dad leaving upstairs. Your Grandma making me egg pancakes, and your Mom yelling about the grease getting in her hair. 😞☐ I hope your Grandmother did that for you two, when you were young. That was my second home. I hope your memories from your youth of your Mom, will always bring a smile to your face.

Sorry to hear of Jeanies' passing, always thought we would get to her new place with the Keenan's. One memory I have is her telling me she wanted a nice daughter like me 😊 As if I didn't have some bad moments! Learned to make green bean soup from her (still one of my husbands favorite) and could always ask her advice on food, rashes & everyday problems. As a neighborhood we had many good times & once you moved away I still would come to the condo to do hair! Hope all your memories are good 😊 like the Biever family.
