“ Tulips represent perfect love! As a little girl my big sister Barbara taught me how to plant Tulips every Spring. During the cold Illinois Winters she taught me how to roller-skate to the tune of "Ain't she sweet just a walking down the street? Now I ask you very confidently ain't she sweet!! That was 64 years ago and I have never forgotten. Our lives grew apart over the years but Barbara's influence and lessons has always been part of my life.

Love always, your little sister

Colleen Melody

Thank you so much for taking such good care of our Mother. Everyone we met and interacted with there was so kind and genuinely caring. We all basically camped out at the facility the last several days and we never felt unwelcome. So glad we found you.

Colleen Melody Robinson - February 16, 2015 at 11:20 PM

Yes, thank you to the entire staff at Batavia Rehab -- especially "Nisha", Sheila, Mitzi and all of Mom's CNA's, to Tammy for finding my angel, June and Cathy, and for the kind young man who stayed later on that last night just to watch over her. A very special and loving environment that we are so grateful for.
