“ *Many beautiful memories with Auntie Barbie! Playing with her in her room on visits to Grandma and Grandpa. I thought she was so cool when I was little. Having her at my college graduation to celebrate my passing into adulthood. Then hanging out with her as an adult still thinking she is the coolest! She will always be to me. That will never change. I'm thinking of you all during this difficult time from across the pond. Wishing I could be there.*

*With loving thoughts,
Jessica*
