“ Boy where do I start Bernie and Joann move next door to me when I was 12 years old we became friends for the rest of my life. Bernie was the most kind and gentle man who love his wife and family with all his heart. I have so many beautiful memories of both and I am sure they are together again a love story that never ended .My love and hugs go out to all the children who I babysat for and grew to love them. The world lost a very special man. RIP Bernie Love Sandy Vella
