“ I have fond memories living next door to Betty Campbell and her family.
My brothers and I spent many summers swimming in their pool, enjoying popsicles, and then ending the afternoon watching Dark Shadows. I only had brothers when we first moved next to the Campbells, so when I would be invited to play in their basement it was a dream come true play kitchens, Barbie houses, record players to listen to Donny Osmond “ down by the lazy river “ and “ puppy love”. The Campbells were lovely neighbors that always lent a helping hand. After my father passed away and siblings moved away, Betty remained a true companion to my mother. They looked out for each other and shared a newspaper every morning, which ended up saving my mother’s life. Betty was always there to help out our family. I will always be grateful for her kindness and generosity to our family. Rest in peace Betty. Oh my stars ! You will be greatly missed. With love and my deepest sympathies,
Michele (Laurich) Richardson
