“ Brad,

We miss you dearly. I had the pleasure of caring for each one of your boys for over seven years. You certainly became family to us. We shared many memorable times together. Antoine and I would regularly sit and talk about what a great person you are. It's not often you find someone so warm...so genuine...so thoughtful...so kind. You are truly one of the best people I have EVER encountered.

I got to see first hand what an amazing father you were. There is absolutely nothing you could have done better as a parent. I know God is saying "job well done, Brad".

I'm thankful for the time we had together. You are an inspiration and you will live on through those beautiful boys. We will never forget you.

Peace be unto you and your family

“ Brad truly was a kind, genuine person. He made people around him smile (even if it was with a bad joke). He enjoyed life more than most. He loved food days at work where he could bring in stinky sausages and sauerkraut.

As Joe Castelli mentioned, Brad truly loved his boys with all of his heart!! The office (Follett) was full of their drawings and homework because Brad couldn't throw them out but couldn't save them all. Brad is a role model for his boys to look up to. The way he treated everyone was with respect and kindness. Brad will be missed.

“ Bradley, you will be missed by many and all. Always enjoyed your company whenever we talked about ERAC, work, kids or life in general. You always had a great attitude towards everything. We can only celebrate the life of Brad and know that he has left a mark on everyone here.

“ Brad was just one of those guys that you couldn't help but like. He honestly was one of the nicest and most genuine people that I've ever had the pleasure of knowing.

Sitting next to him at FES for two years, I knew a day wouldn't go by without two things happening: a minimum of one terrible joke, and him telling me about his kids. That's what I'll remember most about Brad - how much he loved his kids. He was so very proud of them and loved them with all of his heart.

My deepest condolences go out to Christina and the rest of the Bumber family. Brad will be missed.

“ *My condolences go out to the family and friends that will miss him dearly. My name is Marcus Glass and although, I have never met Brad or spoke to him, I have the privilege in working with the accounts/territory that he had while at Follett. I am blessed to have this opportunity and although not under these circumstances, all of his past customers always ask about him and care for him and are very fond of him dearly. I hope to do the same great job as Brad did while being at Follett and I will keep his spirit alive by doing so. May his spirit live on and God be with you.*

“ *Brad, you were one of the kindest, gentlest souls that Ive ever known. You had an amazing great faith in Christ and how you lived your life was testimony to that. You always treated everyone around you with the utmost respect and compassion and made them feel special. I personally remember you doing that when I needed it most. And I don't think you even realized....it was just natural for you. You Never had a bad thing to say about anyone. Your smile was heartwarming and contagious. You also were a remarkable father and will leave a strong, kind spirited, Christ driven , lasting legacy. There isn't a doubt in my mind or anyone's , that you are sitting at the right hand of the Lord and marveling in the peace and serenity that God promised to those who followed him. It is for a short interval and we shall meet again, my old friend.*

*Brad,
You were one of the first people I met at Enterprise and you took me under your wing. You were so kind and patient and always had a smile on your face. Within a few minutes of meeting you- you had already pulled out your wallet and were showing me pictures of your family. You were a very proud father❤️
Little Buddy (Jason) and I have memories that will last a life time from branch 88! We had a great team! We will miss you Brad. ❤️❤️*
