“ I remember Brenda happily from junior high, high school, and Girl Scouts. She was wonderful and great fun! I'm so sorry to hear of her sudden death and am praying God's comfort and peace for all her family in this time of grief and in the years to come. It will always be hard to miss her, but how wonderful to have the hope of seeing her again in heaven for all those who believe in Jesus as our Lord and Savior!

“ Brenda and I met at K-mart in Fayetteville NC. We both were shopping in the baby section, when she said hello with a smile and asked me when I was due. From there we became friends. .She asked me if I liked Starbucks coffee. I told her that I have never tried it. She said let’s met up and I will buy your first cup. She ordered a Carmel Macchiato for both of us. We would meet up at the on post pool, both being big/pregnant . After that we would have lots of family get togethers, especially when the girls were in town. She delivered Christopher in July, Juliana was born in October. Moving forward with a pump representative for her diabetes coming to her house and giving her info /class on it. She asked me if I wanted to come over and listen. Who would have thought God knew I needed to hear all about it. Not knowing later in the future my daughter Juliana was diagnosed at age 6 with Type 1. She would always call and check up on her to see how she was doing and to give lots of information. We had one last get together before she moved, away , that’s when I got to meet her mom(Barb). When she moved to Hawaii for 6 years. I received lots of gifts, pictures and calls telling me how wonderful the sunrise/sunset became her favorite. Since I was little I wanted to visit HI. Brenda made it easy for me to want to visit even more. God had it planned out and we now live her. I can understand the music she sent to me. Brenda our good memories will always be in my head. I know God will look after your family. Thank you for being a good friend to our family 🌈❤️
