“ Big Brian was like a dad to me so i can't think of just one memory. I will always remember all of the football games we watched wherever there was good food, friends and of course drinks. Or when i was a beer cart girl and he golfed when I worked so I wasn't alone and always got tipped. Big B I wouldn't be me without you. God got a new gentle giant for an angel. I will always love you and miss you 🥹

“ *Barb, Please accept my deepest sympathy. Brothers, you know I can't say how sorry I am! Brian was almost indescribable. Big, Tough, Funny, and huge heart. Don't know of anyone who didn't like him, and to like him was to love him. I shared to many good times to talk about and probably shouldn't talk about them in public. I'll miss you big guy, rest in Peace!*

“ Our Benet Class of 1974 always knew if Brian was among us we would all have a great time! We all spent a lot of weekend nights together watching old shows, laughing and joking. Brian was so loyal and kind and we could always count on Brian to be there if we needed a friend to talk to about "life". My sincere condolences to his wife Barb and the entire Shields family. Heaven just gained a very special member. Mary Esser Huerter

“ Brian and I have been close friends since our Benet days. It's hard to believe that is 50 years ago. We shared many great times like attending all of the Bears home games at the old Soldier Field the year they won the Super Bowl. We didn't have tickets but thanks to Owen, our mutual friend who knew the Soldier Field security officer, we didn't need them. Those days were truly special. I was playing golf with Brian the day he had his hole in one at Fox Bend on the 12th hole. He pulled out his 7 wood, and without taking a practice swing, hit a low fade that never got more than 10 feet off the ground. It hit on the edge of the green and rolled about 50 feet into the cup. Brian didn't say anything, he just smiled and put his club back in the bag like it was no big deal. That was typical Brian. I will miss him. I am sorry that I am unable to attend the services in person. I want to express my sincere condolences to Barb and the entire Shields family. You are in my thoughts and prayers. Kevin Kawa

“ *Brian was only five years younger than me. So like Brian, and his classmates those were my 1st years at the Academy. They were fun years and Brian and his classmates made my 1st years at Benet a real blessing. Brian remember all of us when it's our turn to enter heaven, please open the gates for all of us and let us in, pretend that we all were going to the Bears game and we needed a friend to get us in, like fast! Love you always say hi to your mom,dad and brother for me. Brother Ed.*

“ Brian was that rare one-of-a-kind friend. It didn't matter if we were going to a sporting event , school or out with friends, if Brian was going I knew one thing for sure.... it would be full of fun with lots of laughs and memorable moments. He was loyal and caring. I always knew that if I were in trouble or needed a hand with something, I could always call Brian and his first words would be "sure, where and when do you need me?' He has been my best friend for the last 50 years and I will truly miss him. My sincere condolences to Barb and the entire Shield's family. Rest in peace, buddy! Owen Kane
