I went to Sacred Heart Academy with Camille, was also in the Dominicans with her and kept in touch until she was more than busy with her wonderful boys. We did occasionally communicate and she was very happy with Jerry. I picked her up at Mundelein U. in Chicago when she left to go back to Aurora with Cele. We had many memories from high school days and visiting her dad when he was a politician in Springfield.

She surely will be missed by her family and welcomed by the Divine Energy in a place of no suffering. Barbara Fuhrwerk

To the Petit & Kramer families, my deepest sympathy, Camille & I were very close for a short period of time, she was an inspiration to me, she listened to me & i know she loved me, as I loved her. God has received another angel.
