“ To: Bill - I am so very sorry to hear about my BFF Carol. Sorry I cannot make it to say goodbye to her. I know you will miss her terribly. I will miss her too. We had a lot of good times and laughed a lot. I am glad she and I kept up with each other even after I moved to Florida. We spent a lot of time on the phone or texting. She was a very compassionate and loving person. May God bless you and bring you peace. Judy (Kauski-Nation) Gaylor

“ To: Marcia, Mary, Nan, Tony, Carla, David & family.: Sorry I am not able to be there for all of you. Some of you will remember me and some of you will not. Where do I even begin to tell you how much I will miss your sister, mother, grandmother, great-grandmother, etc. First I want you to know how much she loved all of you. She talked about all of you in our many, many, many phone conversations over the years. we have been friends since our freshman year at Madonna High school (we use to get in trouble a lot with the nuns, especially on our class trip). We still hung around with each other after we graduated. We still kept in contact after each of us got married and had children. I moved to Florida in 1973 but when I would come home to visit I would have lunch with her. She even came to visit me in Florida a few times. We had a very solid friendship and checked on each just to say Hi or how we were doing and talked about our (old age) ailments. If one of us was sick we would check to make sure we were going to be okay. She was a pleasure to be around. We laughed so much about things that our rib cage would hurt. She was a wonderful passionate, caring, loving human being and I will miss her terribly, so much that I am crying while I am writing this. I wanted to be there personally but since I cannot make it please throw her a kiss from me and tell her that I love her and will see her again someday. So in closing I send my love to all of you and may God be with you and peace be with you.

“ I was so sad to hear this. Gary & I had many great times over the years with Carol & Bill. Carol was so sweet and kind to everyone. With covid we lost touch. I wish I had known she was sick, I may have tried harder to reach out. As the saying goes, don't wait until it's too late. You never know when you'll get "that call". Prayers for Bill, CarlaSue, David and family. 🙏 RIP Carol ❤️
