God looked around his garden
And found an empty space
Then he looked down upon this world
And saw your tired face
He put his arms around you
And lifted you to rest
God's garden must be beautiful
He only takes the best.

“ Carol and my mom taught together for many years at Holy Angels, and they were dear friends as well. I have great memories of mom and I having fun with Carol and her kids during summer breaks. It has been a joy to Facebook with her for the past few years. She touched so many lives and will really be missed.

“ Sorry for your loss. Miss Moenning was my kindergarten teacher at Oak Park, think she got married the year after I left. I always remembered her and we would see each other around town over the years and laugh that we remembered each other. She was so kind, always smiling.

“*I taught at Holy Angels with Carol. I remember her fondly. She was such a warm and friendly lady and always had a big smile on her beautiful face. She was so proud of Alix and Ashley playing in the band. She talked to me once about how proud she was of Bobbi also. My thoughts and prayers go out to the entire family.,*

“ The Schingoethe Center of Aurora University was privileged to have Carol as a docent for over a decade. Teachers often requested her because she was so knowledgeable and so good with the students. She always represented the Center in the most positive light.

I was so glad that Carol's son brought her to the new museum in October and I was able to give her a personal tour and have a nice long visit. She will be missed by all.

My condolences to the family. She spoke of her children and grandchildren so often.

Prayerfully,

Meg Bero

“ *I knew Carol from Holy Angels School where she was a dedicated teacher and a good person. Her best birthday present is being with God right now. Be assured of my prayers for Carol and her family; however, I think we don't have to pray FOR Carol but TO Carol. My prayers and sympathy, Sister Paul Mary, OP
PS: I regret that I cannot attend the services due to many meetings that I need to chair this week in Springfield. Sorry!*

“ *Met in Chorus, Quincy College, 1951. Had apartment together, teachers at Beaupre and Oakpark Schools. Sang in St. Nick's choir and Palestrina chorus. Had adjoining rooms as we taught at Holy Angels School for nearly 30 years. I taught granddaughters, Alix and Ashley in fifth grade. Carol was my daughter Mary's confirmation sponsor. I will miss my friend.*
