“ *I have SO many wonderful memories with mom it would be hard to choose. I loved our late night chats, everytime she would visit us in Colorado or Ohio and watching her with our son Jake. Her laughter was contagious, her smile heartwarming, and her love genuine and unconditional. I will miss you more than ever. You will live in my heart forever! I "love you more" Mom!*

My favorite memory with her was when i first met her and she gave me a big gentle smile...after that i felt like part of the family and she loved me and my daughter "katana" unconditionally..i am so blessed to have had a chance to get to know her..i will miss her so much especially when she used to always visit my girls and i at my house..my heart breaks every time i think of her but im happy that she's at a better place now...
