“ Carolyn was such a good and wonderful person and she will be badly missed. In her quiet, competent manner she cared deeply for everyone and made one feel he/she was the most important person in the world. Working with her at Royana and On the Mark Reality gave us an opportunity to appreciate her unique skill set and the way she could easily relate to other people. She was always positive and went out of her way to support the team and the goals of the office. Her life was cut too short but she will always remain in our hearts. God Bless you Carolyn! We are all better for having had a chance to know you. Our condolences to the family.
