“ I am writing from Italy. I studied with Chuck Commercial Art Class at College of Du Page. I found out today that he passed away. He was one of the kindest people and friends I had. We were friends for the two years together, he stayed overnight at our home once during a snow storm and I visited his farm and met, and knew his lovely simple and joyful parents. I have two of his works, one is a portrait of me and think of him every day. I missed and miss him. A genius and gentleman, a true friend.
