“ *Bev; Our sympathy and prayers to you and all of your family. Chuck was a great guy, so devoted to his family, his Lord and his OLGK parish family, particularly in his long service as Usher at the Saturday evening Mass.*

May the Lord bless all of you in the days to come.

“ *Bev, Karen, Julie, Dan,
My heart goes out to you and your families. Chuck was a great man, a great neighbor, and a cherished friend of the Kuks. He will be sorely missed. I've always admired the love and togetherness the two of you always shared. Many fond memories of our times on Pearl Street. As a young child, I soon learned never to cross or play on the Moore lawn, because I knew Chuck would soon be out with his "push mower" making his precision diagonal cuts to erase any evidence our our foot traffic. I was always amazed at his spotless engine. So clean you could eat off of it. But of course, he would never allow THAT to happen. As a fellow engineer I look back now and understand his precision and attention to detail with great admiration.*

My thoughts and prayers go out to you. It pains me that I can't be there to pay my final respects. But as you know, he has always had my respect.

With All our Love,

Michael Kuk, Diane, Samantha, Ian, Hayden

“ Thoughts and prayers go out to the entire family. So many memories; the pipe, the dinner bell, the kindness, the compassion. 924 Pearl St. was like a second home to many of us.

Dad quit smoking years ago. I was so proud of him, but I still occasionally miss the smell of that pipe! Thank you for your thoughts and prayers!

“ *Dear Bev and Family,*
I am so sorry to hear this news. Losing such an important person in your life under normal circumstances is very difficult but enduring it without all the love and comfort your friends and family can offer is doubly difficult. I am so sorry for your loss. Chuck was a wonderful and kind man and I know how much he will be missed, I send virtual love and ongoing prayers. Gail Quinn

“ My thoughts and prayers are with you all! I will always cherish the memories growing up on Pearl St. He would laugh at me when I told him he was going to wash the paint off his car. He would even wash it in the rain. Always loved the smell of his pipe. He was one of a kind and will be missed dearly.

“ Oh, how I loved Uncle Chuck. The sideboards on his Thanksgiving plate, the funny stories, the smell of his pipe, the pats on the back while I hugged him too long. Our crazy family is our greatest blessing. He is going to remain in my heart forever. I love you all so much, and so wish we could be there to hug you, mourn with you, and celebrate the life of this extraordinary person.
