Life Journey Celebration Video - May 03, 2021 at 12:00 AM

“ Colleen lived here in our apartments for 15 years, so we will truly miss her. She was always kind and respectful to everyone. She came here with 3 cats, maybe 4. I always asked her how the cats were doing and she always replied "they're fine." I often thought to myself, geez those cats were adult cats when she moved here in 2007 so they must be in their 20's by now. Little did I know that Colleen was replacing them with new cats as her babies moved on over the rainbow. She was a good mom to all of them so no foul, no harm. Colleen remembered everyone's birthday and every holiday! She never skipped a beat! I will miss her unique talent for remembering birthday's, and her thoughtfulness of wishing everyone a happy birthday and a happy what ever holiday it happened to be! I sent her a fern instead of flowers because every year she would buy these small ferns and hang them across the top of her deck. By mid summer her ferns were so big and so lush it made her patio completely private. We will miss seeing your beautiful ferns Colleen. We will miss seeing you. Happy trails chick a dee!
