“ I have known Dale since he was age 11 and became a Boy Scout with Troop 30 at Abraham Lincoln School in Aurora. Over the years we spent many scouting hours together, such as on a campout, tent or cabin, or at a parade with our poke-a-dot staves, or at a fund raiser for the troop. Dale was always there ready to help or lead in any way he could. I was able to go with Dale and my uncle one time to the scout camp in Canada that Dale enjoyed so much. As we got closer to the Jamboree you could see Dale just smile more and more.

“ I always enjoyed seeing and working with Dale at Blue Springs. He was always doing something behind the scenes to make the Scouting reunion experience more enjoyable. Will miss our conversations.
