“ Dan you were my first serious love. We met when I worked at Speedway when I was on summer break from college back in 2007. For 3 years we spent as much time together as we could. You visted me up at Carthage almost every weekend. We raised 2 ferrets together. Many of my best memories are of times we spent together all those years ago. Thinking about them now makes me smile and cry at the same time. You were a talented artist. I loved how we would always look each other up every few years to see how things were going. We even met up when my daughter Lexi was like 3 and she played with your twin boys at your house and we still could talk and be friends after all that time. I will always carry love for you in my heart. My heart goes out to your family...especially you parents, brother, and kids.
Love,
