

Danielle Peterson

September 19, 1980 - February 23, 2021

Danielle Marie Peterson, 40, of Aurora, IL born in Oak Lawn, IL, passed away on February 23, 2021. She was born September 19, 1980, the daughter of Douglas (Cindy) Peterson and Diane (Tony) Robinson, brother to Julie Peterson, Brian Peterson, Calvin Robinson And Josh Robinson. Mother to MacCauley and Ryan Juski, Braydon Peterson and Isabella Seaton. Danielle attended West Aurora High School, Kemper Military School and York High School in Elmhurst where she made many lifelong friends. She was employed at Hovey Energy for the past 8 years.

Danielle was bright, beautiful and extremely loyal to those that she considered friends and family. She had the most infectious smile, loving heart and a great sense of humor. She loved the Cubs, the Blackhawks and her children more than life itself. She will be sorely missed.

The family has decided to have a celebration of life in the late Spring. This was her favorite season as it was not too hot or too cold. More information on this to follow with personal invites.

In lieu of flowers, we have started a Go Fund me page for her adolescent children Braydon and Isabella at <https://gofund.me/6d06f979>.

“ I had the pleasure of meeting Danielle when we were both at Dupage County hospital back in 2014. It's amazing how you overlap with someone else's life for 15 days and they can change all the days that come after. We bonded immediately when she openly referred to a new patient as "a nightmare" as he walked past us and I burst out laughing. I remember after a few minutes of chatting telling her I was gay and she was like "sweetheart. congrats on being the last to know." This girl would have given me the shirt off her back after 3 minutes from introductions, she lived and loved that hard. The fierceness, love, and joy that you could feel radiating off her when she spoke of her children was atomic. Danielle you were too incandescent for this world, and you were fearless . You used your light to chase the shadows away from everyone else, everyone you cared about, and I don't know what happened, I know we hadn't seen each other in a bit because life takes you different ways but I'm sorry if you needed someone else to light your shadows away and I wasn't there. Thank you for everything. Thank you for busting out singing SWV's "Weak" a cappella in totally random places. Thank you for looking out for me. Thanks for always being a light in my life's dark places. You were one of the greatest gifts in my life even if it was only for 2 weeks. Rah loves you and hopes you are at peace. Remember me, for we may meet again in another life, even if not again in this one.

“ I will miss answer your calls or picking up the phone to call you and being insulted. No one but Danielle could make you laugh by insulting you, the one of kind "what's up asshole, what can I do for you" and I would respond with you called me Danielle. Her insane requests and or demands... I would do anything to just gear her say those words again"what's up asshole". Rest easy Danielle the hard part is over you, you get to kick bqck and watch over and make fun of all us with God.

“ *I remember when we used to ride in her car and she would sing her songs she had the voice of an angel*

“ *As a former cadet at Kemper Military School and College, Danielle literally has an Army of friends who consider her family. We became siblings through some of the most difficult, most rewarding, and amazingly fun times shared in all of our lives. We have all been devastated by her loss, but also reminded of the camaraderie, love, and lessons we all learned together with her. We are all better people for having known her so close. She will be sorely missed and fondly remembered by us all. We salute you, Danielle. Final TAPS may have been played for you, but your memory will burn bright in our collective hearts for the rest of our lives.* 🕯️ 🕯️ 🕯️
