“ I was very saddened to hear of David's passing. He always loved doing the tootsie roll drive for the Knights of Columbus. He and the family are in our prayers.

“ Our children went to O'Donnell School and we adults were fortunate in that David taught us the importance of parental involvement and we have always been grateful for his guidance and friendship. Because of his encouragement to be involved in our children' school life, we made life-long friends and our community is better because of him.

We send our profound sympathies to the family - but also are glad to have shared the joy and friendship of David and Lois.

“ *Mr. Frerich was such a wonderful man. I remember him fondly from my days as a student at Gates Elementary School. He already had a welcoming smile for those who needed it and a dose of kind, yet firm, reality for those who needed it. I'll never forget the International Dinner days. He made school meaningful...thank you for sharing him. Much love in memories. Andrea Klimpke*
