

David A. Goble

March 30, 1955 - November 3, 2023

Dave A. Goble, 68, of Aurora, a kind man with a generous spirit and gentle soul, passed away late last week. He was afflicted at a relatively young age with Parkinson's Disease. This was an especially pernicious and aggressive version and took him way too early. Somewhat of a modern renaissance man, Dave was thoughtful and intelligent with a great sense of humor even to the end. He loved the arts, especially music and movies, was a musician, and an enthusiastic astronomer. He had friends around the world through his amateur radio hobby and had a degree in advanced electrical systems which he used in his work at Suncast. He was a fan of the Bears, the White Sox and a BIG fan of the Ohio State football team. In addition to all that, he was an intrepid traveler, hiking the Appalachian Trail, biking across Canada, touring Europe and many more adventures.

Dave is survived by his brother, John (Carol) Goble; niece, Gabrielle Goble; and nephew, Dillon Goble.

He is preceded in death by his mother, Dorothy Goble; brother, Brian Goble; and half-sisters, Charmaine Young and Dorothy Rae Davis.

Memorial visitation will be held on Saturday, November 11, 2023 from 12:30 PM until 3:00 PM at THE DALEIDEN MORTUARY, 220 North Lake Street, Aurora. 630-631-5500.

In lieu of flowers, donations can be made to The Michael J. Fox Foundation in support of finding a cure for Parkinson's Disease. Website is www.give.michaeljfox.org.

“ My husband was diagnosed of Parkinsons disease 2 years ago, when he was 49. He had a stooped posture, tremors, right arm does not move and also a pulsating feeling in his body. He was placed on Senemet for 8 months and then Sifrol was introduced and replaced the Senemet, during this time span he was also diagnosed with dementia. He started having hallucinations, lost touch with reality. Suspecting it was the medication I took him off the Siferol (with the doctor’s knowledge) and started him on PD-5 natural herbal formula we ordered from AKNNI HERBAL CENTRE, his symptoms totally declined over a 3 weeks use of the AKANNI HERBAL Parkinson’s disease natural herbal formula. He is now almost 51 and doing very well, the disease is totally reversed! (Visit [w w w.aknniherbscentre .com](http://www.aknniherbscentre.com))

*Sometimes in life you find someone that no matter how many years go by or how many miles apart, they always remain in your heart. David was that person for me. We met at work, when we were both in our 20's and lived just around the corner from each other. He was saving money for another trip to Europe and I was saving for an apartment. A relationship developed and we spent the next 18 months together. Those months are some of the most precious in my life. So, David left for Spain and life went on. We recently reconnected and I am heartbroken I didn't get to see him again. Rest easy and pain free, my wonderful, beautiful and loved David.

“*Dave and I have been close friends for 55 years. He was the most principled and kind human that I have known. He was a peer, mentor, and an unfailingly faithful friend. We're all better for having known him, and poorer for his passing.*”
