“ You will be sorely missed Brother. Roger Puetz and Pete Stiers went on ahead of you and I'm confident the three of you will secure the beach head for the rest of us Marines. Puetz, last time I seen him still laughed about the time you were washing your car and didn't notice them in a pinch next door at a bar in Jacksonville. God bless, SEMPER FI

“ My sympathies go out to the family, friends, as well as the staff and residents at Jennings Terrace. David was such a kind and generous man and was so good to my mother, Jeanne while she worked and lived at Jennings Terrace. I loved hearing her stories of the pranks the staff would pull on each other and the fun they had as well as the love and caring they had for the residents there. David will always be remembered very fondly. With deep sadness, Kathy Fairbanks-Morrical

“ *I would like to offer my prayers and condolences to David's wife and large family on the loss of their precious loved one. I was proud to know him and saw him every Sunday at 10:00 mass at Our Lady of Good Counsel Church with his family. Always with a smile. I remember his kindness in hiring my granddaughter to work at Jennings while in high school a few years back. I pray your loving memories help you get through this difficult time in your lives. Your sweet mom Juanita must be smiling as she greets her loving son home. Mary and Bill Stearns*

“ *My thoughts and prayers are with all of you. David was a remarkable man who truly loved his family and our country that he proudly served as a marine. He didn't ask people to do good, he lead by example. He loved his residents and care teams at Jennings as an extension of his own family. David treated me as a member of the team and I will so deeply miss him on my weekly visits to Jennings. I'm blessed to have known him*

“ I knew Dave going back to our days at East Aurora High School and had a great amount of respect for him as a fellow Auroran and administrator at Jennings Terrace. We discussed our concerns about Aurora's neighborhoods many times and I was always impressed with his insight and support for this City. He and his staff were also very helpful during my mother's stay at Jennings Terrace for the last months of her life. He'll be missed. My condolences to his family and my prayers will be with you during this difficult time.
