“ Dear Nancy and family,

I just heard about Dave's passing. I immediately called Steve... We are so sorry and wished that we could have been there with you. Even though we do not see each other often, our love remains the same. Too many years that we shared together, both Steve and I. Dave living next door to Steve while growing up and all through High School and you being one of my bridesmaids... Our hearts really are torn by the news. Dave, may you Rest in Peace with the Heavenly Angels.

With love and sympathy, Steve & Ophe
