“ My deepest sympathies to the Lowney and Gengler families. I have fond memories of Coach Lowney during summer Pony League baseball. I remember Coach always being the first one to pick me up after making an error or a bad play. He was a very positive man and it was fun being around him those summers. My very best to Mark, Pat, and the Lowney and Gengler families. My thoughts and prayers are with Coach. May he rest in peace eternally. -- Steve Hirner

“ My deepest sympathy to Denny's family during this difficult time. I played Pony League baseball with Denny on the Thor Power Tool team a long time ago. He was a great guy, fun to be around and an undefeated oitcher. I will miss him and treasure the memories and won't hold it against him that he went to East High.

“ When I worked at Genger Loweny Laserworks. I so enjoyed being able to be with Denny, he always had a smile to share and jokes aplenty. He was a boss but was more like a friend. I will miss him so very much. I'm not sure who wrote this but I have always liked it. It is the way feel:

*Do not stand at my grave and Weep.  
I am not there. - I do not Sleep.*

*The Spirit above has my Soul.  
So you need not lose Control.*

*For I am a thousand winds that blow and,  
Diamonds that glitter in the Snow.*

*I am the Sun which grows the Grain,  
Also the soft and gentle Rain.*

*When you wake in the morning Hush,  
I am the swift uplifting Rush.*

*The countless Stars that shine all Night,  
And quiet Birds in taking Flight.*

*Together here we have the Love,  
So you need only look Above.*

*So do not stand at my grave and Cry.  
For I am not there – I did not Die.*
