I remember Dennis from when he hired in at General Mills. I was a warehousemen then, he cleared the warehouse or did sweeping around that part of the plant. So sorry to find out that he has passed. Did not know he was sick. Again I am so sorry .

“ Dennis hired in at General Mills a year before me. I retired to Tennessee in 2012. I had many conversations with Dennis during my 42 years at the big G, and he was always pleasant and friendly, and had a great sense of humor.

I am sorry to hear of his passing so soon into his retirement. My condolences to the family, and I shall remember him in my prayers.
