“ Dennis, Mike, and Bob Taylor were known as “The Taylor Triplets” on the basketball court at NIU in the mid60’s... we were best of teammates, “brothers”, but most of all just great friends!!! He will be sorely missed and we are praying for LaVerne and the entire family. RIP my Brother..

“ Sending our deepest condolences and prayers to the Taylor family during this time. I first met Mr Taylor when I was playing basketball for Washington Middle school in Aurora, IL. I was in 7th grade and Mr. Taylor was the referee for some of our games. When I first saw him, I couldn't believe this man who appeared to be a legit NBA superstar, could possibly be our referee.:-) And I soon learned he was much more than that. He'd encourage us and give us tips if we were running into foul trouble. He wouldn't let us hang our heads down and would often times just say "D-up ladies!" And we all loved it- because no other referee took time like Mr. Taylor did to give us these tips and encouraing words. He made an impression on us all & was our favorite referee! I later became close friends with his son Billy & adore Mrs Taylor and Ricky. You all were so blessed to have him. This one hurts! What a blessing he was for the time we got to spend with him- a devoted family man and a wonderful example for everyone in the Aurora community and beyond! Rest in peace Mr. T! -Monica Cannon & family

“ Dennis and I were friends for 50 years. We hung out, played together on 🏀 basketball teams, coached each other's sons, and we were always there for each other. On behalf of the WAHS basketball program I'd like to thank the Taylor family for all their contributions to one of the best basketball programs in the state. I've lost a very close friend that I admired and respected, but I know he's at peace, he's not suffering and he's in a better place. RIP my friend ❤️
