“ My deepest sympathy on the loss of your loved one. Haven't seen Dolores in probably 30 years. However when I look at old school photos she always brings a smile and I remember very well some of her high school antics. Always had a smile and a helping hand.

“ Dolores and I were best friends in grade school, high school, and Beauty Culture school. I moved to CA over 30 years ago, however we kept in touch and remained friends. Barry, you are so lucky to have had your mom; she loved you so very much. I will not be attending her services, but in my heart, I know she will know that I am there, gently holding her hand. May God give the family strength to bear her loss; may she rest in peace. I will forever hold her in my heart as my best friend and sister. Melodee
