“ To the entire family of Lola--I'm so sorry to hear of the passing of your mom/grandma. I remember her kindnesses to my parents, brother and me for all these years. Your house was a second home to my brother and he SO loved her cooking. Your loving care of her all these years was the definition of 'family.' I'm sorry I was unable to pay my condolences in person but they are no less sincere. Please know my prayers will always be for your family.
