“ I remember her well all the way back to our days in Cub Scouts at St Rita's over 55 years ago. She and Vern were both strong important leaders in our Cub and Boy Scout programs.

Yes I too remember both Vern and Donna as great leaders in Cub Scouts. Donna was a Den Mother along with my mom at St Rita's. Steve, God rest his soul, was a Cub Scout and an alter boy at St Rita's. We were classmates and his passing inspired us to have a grade school reunion back in 2006. May the departed Duranceau's Rest in Peace and let the perpetual light shine upon them.

“ *I am blessed to have been given the time to have been in Donna's life. When we first met, we became instant friends. We found we had many things in common. The years spent caring as Donna's caregiver enriched my life. We talked of her life, her children and her husband Vernon. I will always keep in my heart the precious lessons I learned from Donna as we shared a special friendship. I will miss her terribly, but I know heaven has an angel watching over me.*
