“ I knew Donna from our Delnor days, yet spent the most quality time with Donna (and Jim) at volley ball courts near and far cheering our daughters (Kirsten & Brittany) on to victory. Donna was always smiling, always positive, always hopeful. She inspired me with her courage and her absolute love of her husband and children. She never missed a match. I pray for comfort and healing for Jim and the kids. Donna encouraged me with her love and kind words of hope when Brittany was diagnosed with cancer - I am forever grateful for her support and inspiration. I am so very sad for your loss Olson family - Donna was a true gem, an inspiration and an outstanding wife and mother. She will be missed. God bless you at this sad time.

My heart is heavy today for you Jim and for Erik and the girls. I've enjoyed talking and sharing our boys sports events together over the years and will miss her smiling face. One thing I know, is her great focus and love she had for each one of her children. I hope they know how much they and you were all loved by her. You are all in my prayres
