“ So sorry to hear of your mom's passing. She was a beautiful person whom I have many fond memories of. She worked with my mom and Henry Pratt years ago and I have many fond memories of swimming in the pool in Montgomery. May God bring you all comfort during this difficult time. Sue (Troy) Griffin

“ My grandma was truly an amazing woman. She was kind, loving, and the matriarch of the King family. She witnessed 4 generations of Kings! Some of my favorite memories were talking about life, advice, the Bears, and what's generally new. Thanksgiving's were always a double special holiday because we were able to celebrate her birthday's as well! Grandma we'll miss you... Love - Josh

“*“Sweet Home Chicago,” was the song I dedicated a dance with my Grandma, and what a wonderful memory that I will never forget. She was absolutely beautiful! In her last hours in the emergency room I played this song and a few others one last time for her. She was able to look at me, give me a smile, and squeeze my hand ( during her time of extreme difficulty breathing ). I told her “Grandma you remember our dance? She nodded with another smile and a tear came after. She squeezed my hand again but this time in pain. I told my grandma “I love you so much and I am going to try my hardest to keep your mind off of your pain.” I eventually was asked to leave to hospital due to policy when she was moved to the hospice floor. It was not easy staying strong for her but I am happy I was able to make her smile and relax in some sort of way mentally. Grandma you will always be missed but you’ll never be forgotten. Our memories will keep you alive forever. I love you and miss you so much.*”
