“ I will never forget the great times I had at Aunt Cissie:s house, especially Thanksgivings. She was a wonderful and caring person who means so much to our family. I spent quite a bit of time speaking with her the last few years and each conversation will remain a jewel in my heart. I really love her and I thank Jesus she is always in my heart.

Thank you, Aunt Cissie, for all you have given me.

My heart goes out to all my cousins, who may have lost her physically, but will hold her in their heart forever.

“ To all the Reier kids,

I have wonderful memories of growing up in the old East Side hood. Between the Reiers, the Sternbergs, the Starks and the McGrays, we had the block between Liberty & Superior covered. I'll always remember the day Pete and I brought the flying squirrel into the house to be nursed back to health. Your Mom was already a Saint back then. Peace to your family, and may her memory live forever.

“ *What memories I have of your mom! I loved coming over to your house - especially staying overnight after grocery shopping day. Lots of good food, the chance to read comic books, laughing together, just having fun. Your mom was always there with a smile. When I think of my childhood, your mom is one of the people who made it so special to me. Remember all of the fun times you had with her. She was such a wonderful person. Much love to all the "Reier kids."*
