“*Doug was a special part of my life when I was just a boy. I was often invited by Bill to go camping or events in Chicago with their family and grew up learning from Doug and his love for the outdoors and travel. Through the years, I stayed in touch with Bill and often talked to Doug when I called the house. He always seemed to be jolly, enjoying life and interested in what I was up to. The last time I saw him was about 6 years ago when we shared stories and a few beers at the Third Ward Club. I hold very fond memories of Doug from the earliest days. He was a good man and will be missed.*
