“ I worked with Eddie at ComEd, in the Engineering Dept. he was one of the "Old Timers" that really made things special in that era at ComEd We had a True family at that time, When he and some of the other "Old Timers" had retired it was a very sad day for alot of us. I always had a great respect for him, and truly send my love for your loss. Enjoyed the Video and always remember the good times!
