“ I always liked Ed. I remember him on the occasions when my family would get together with Uncle Frank's family. Uncle Frank...his dad. It was long ago.... but I remember Ed. My sincere condolences to his family. It hurts to lose such a special, memorable person.

“ I worked with Ed for many years at Westell technologies. He was an honest and giving person, and I thought of him as a good friend. Ed’s “can do” positive attitude will be sorely missed. May God bless Ed and his family.
