“ *My fondest memories of Grandma are the summers we spent at the Little House putting on plays. Glad to have the DVD she made me so I can watch them back, and all the fun we had. Her cabbage rolls are unforgettable, and I am so glad I had the opportunity to learn how to make them just like her before she passed. She will be missed but in our lives and hearts forever. We love you Grandma (Great)!!!*

*Love,
Tony, Melissa, Madeline and Aiden*

“ I will always remember Eileen's kind and nurturing manner while she worked in the kitchen at St. George's. She made all of the younger girls welcome, and tutored us along the way. Kurt and I will always remember the great times at the club. She was truly a special lady that always had a kind word and smile for everyone! Our deepest sympathies to Al and the family!
