“ *My deepest condolences go out to family and friends during this sad occasion. While I have only met Ms Funk once, I was constantly reminded by her daughter Mary Jo how special she was and how much it meant for her to be near her during the last years of her life. May your soul rest in peace. To the rest of the entire family circle, be strong.*

“ Our deepest condolences go to Ella's family. Ella was adopted by us when our own mom passed away 27 years ago. Her gentle spirit, endless love, and never ending kindness were easy to embrace. She was lovingly known as "Grandma" Ella to our children, who are now grown men. Ella was the guest of honor at all family parties, holidays, road trips, and even occasional vacations. The time we shared with Ella will be treasured memories, as we were blessed to have this very special angel in our lives. We will do our best to honor her memory as we live on. We love you soooo much, Ella.
