“ Words would not be enough to describe the amazing and beautiful soul you were. An amazing wife, mother, grandmother and the best mother-in-law anyone could ever ask for. Saw you as a second mother more than just my mother-in-law. I know that now you are able to see inside my heart and finally see how I felt about you. The pain now in our hearts will take more than a lifetime to overcome. I hope that you are now enjoying the wonderful reunion with your parents, brother, sister, aunts, uncles and nephew. I hope your sons, grand-daughters, grand-son as well as I make you proud. I pray that God will grant me the opportunity to see you again and if there a life after this one, I pray that you will be my mother-in-law again. Forever in our hearts love you always.
