“ I am very sorry to hear about Gene passing away. I just now read on the Rosary facebook page about it. He was an older cousin, about ten years older than me. I do remember one year at a family picnic at Bliss woods. In those days there was a swimming pool there. He dove in and hit his head on the bottom. I remember than my Mom and his Mom drove him to the hospital. We were all very scared that he was badly hurt. He was bleeding very badly. I guess it was very traumatic that I still remember that day. He was always such a nice guy. Claire Erickson

“ So sorry to hear about your dad. I didn't get to see Aunt Joyce or Gene very much. But we were always looking for them at car shows in the summer here in Illinois for a fun little visit. He was very proud of his Truck. -Cyndie and Hugh 💕

“ Sorry for your loss. I always thought of him like a big brother. We spent so much time with his mom and dad and him. Remember eating beans out of can with him. I only have fond memories of him. Prayers for you all.
