“ I'm very sorry to hear of Evelyn's passing. She was a beautiful and sweet woman. She was my great-aunt... I am the granddaughter of her brother Charles,( though I never got to meet him) and daughter of her nephew Terry. When I was a girl, I would visit my maternal grandparents at the Constitution House in Aurora and one day my grandma told my mother that my dad's Aunt Evelyn also lived there. So my mom took me over there and I met her. She was so sweet and whenever I would visit her she would show me old family pictures of my grandfather and my dad and aunts and uncles. Without these pictures I would've never known what my grandfather looked like. She enjoyed sharing stories with me about my family which was great because growing up, me and that side of the family were estranged. She also found out that I loved to draw and she would show me her paintings. She was a great artist! She even gave me a painting she had done. Unfortunately, we lost touch after my maternal grandparents passed away and I stopped going to Constitution House and I also moved to southern Illinois. But I will always have those happy memories of my friend that I met that just happened to be my Aunt.
